No worries, appreciate the update and if anything different pops up, we'll just forward on precautionary notes.

Thanks again,

Thanks Mike. Our foot beat contacted them. Their pamphlets are from the Islamic Institute of Orange County, which is a reputable organization. The pamphlet is denouncing terror and extremism. We do not believe they are related to the Grove subject. We are not completing a SAR, but I forwarded the information to Major Crimes. Thanks for the vigilance and great partnership!

Captain,

Here's the vehicle driven by the individual who walked the perimeter I forwarded earlier...he was parked at 1721 Las Palmas. They've packed up and left for the day.

Three of the other individuals left in a dark blue Honda Accord CA lic. 6UVY801 which they parked in the Madame Tussauds parking lot off of Orange.

I have video of all individuals on the Blvd today and can forward if they are in any way connected with the original individual from the Americana/Grove locations.

Thanks,

Mike
